## START

### START

Are you planning an investment? If so, we accompany you during every phase of your company development, expansion or optimization, as well as any other location-related matters, irrespective of whether these relate to industry, commerce or tourism.

### DEVELOPMENT PHASE

We have long-term experience in the company settlement field. We offer support during the handling of your investment project and provide you with early feedback.

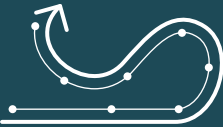

### SEARCHES FOR LOCATIONS AND PREMISES

With our assistance you will find the ideal site for your green- or brownfield investment. More at: [www.standortooe.at](http://www.standortooe.at)

### FINANCING AND GRANT CONSULTING

Investment projects require capital. We are familiar with the suitable financing and grant instruments and provide you with tailor-made advice.

### PROCESS SUPPORT

We make time for you and accompany the complete location development process, from active assistance during discussions with banks to the hosting of neighbour information events.

### APPROVAL PROCESS AND AUTHORITY CONTACTS

To ensure smooth project realization, we clarify your questions with public authorities in a quick and non-bureaucratic manner.

### COOPERATION PARTNERS / PROFESSIONAL SERVICES SUPPLIERS

Cooperation partners and professional services suppliers can make a major contribution to the success of your investment. We have a knowledge of the Upper Austrian network, which we are pleased to share with you.

### SKILLED EMPLOYEES

We accompany measures aimed at obtaining skilled personnel, help you to find the right specialists in your region and also train your employees in line with your requirements. More at: [www.arbeitsplatz-oberoesterreich.at](http://www.arbeitsplatz-oberoesterreich.at)

### COMMUNICATIONS

You are proud of your investment in Upper Austria and so are we! Therefore, we help you with the preparation of press information and media contacts. In addition, you gain access to our communication channels, which include websites, newsletters, customer magazines and social media.

## TARGET

### TARGET

You have moved into your new location and concluded your investment. Nonetheless, we continue to support you via our clusters and networks in order to find cooperation partners and assist with research and innovation topics.
